

Milton Senior Living
600 W. Sunset
Milton, Wi 53563

We strive to nurture an environment of love, encouragement and support. Within these walls we provide more than a home. We offer security and independence while inviting everyone to grow and thrive within our community of friendship and mutual respect. It is our ultimate goal to foster the fulfillment and happiness which arises from the best possible quality of life. Our residents shall be treated with dignity, cared for professionally and loved as family.
